**DEMOGRAPHIC INFORMATION:** The demographic information collected is designed to provide the institution with ethnic, gender and citizenship data on all applications. The data are used by the University to respond to requests from governmental agencies for aggregated summary information that must be provided by law. For federal reporting purposes, the university must report gender data in binary terms. This information will not be used by the University in making admission decisions nor will the information on individual students be released outside the University without the written permission of the student.

The University of Pittsburgh, as an educational institution and as an employer, values equality of opportunity, human dignity, and racial/ethnic and cultural diversity. Accordingly, the University prohibits and will not engage in discrimination or harassment on the basis of race, color, religion, national origin, ancestry, sex, age, marital status, familial status, sexual orientation, gender identity and expression, genetic information, disability, or status as a veteran. Further, the University will continue to take affirmative steps to support and advance these values consistent with the University's mission.
