APRIL 2022 GRADUATION – A&S DEADLINES AND REQUIREMENTS

You Are Responsible for Reading the Following Information Regarding Graduation.

There is a Dietrich School Master’s Degree Checklist among the April 2022 graduation materials. You must submit everything on the checklist by the April 8th deadline date or you will not be certified for graduation.

Not following the requirements listed below could jeopardize your graduation.

I. APPLICATION FOR GRADUATION: Any student who plans to complete degree requirements in the SPRING Term must fill out an application for graduation by noon on Friday, January 28th. All applications must be submitted here: https://forms.office.com/r/944KuWzSQe. You must be logged into Office 365 through your Pitt provided email account to access this form. A late fee of $15 (cash or check) will be applied to anyone applying after this date through March 6th. Applications will be accepted until Friday, April 1st with a varying late fee. Students who applied for graduation in a prior term must reapply for the current term. Only the student's legal name may be used on the application (documentation supporting name changes must accompany the application).

II. REGISTRATION REQUIREMENTS: Students must be registered in the term that they post all milestones, including prelims, comps, admission to candidacy, and defense of thesis or MFA manuscript.

III. AREA OF CONCENTRATION (AOC): If your department has an approved AOC, you may apply to have this appear on your transcript. Clearly indicate the AOC on your application for graduation in the space marked “MINOR/AREA OF CONCENTRATION.”

IV. APPLICATION FOR RECEIPT OF CERTIFICATE: Any student who expects to complete requirements for one of the Interdisciplinary Certificate Programs must indicate the certificate name on the application, within “Academic Department-Student Plan”.

V. MISSING AND G GRADES: All missing and/or G grades including those not relevant to the degree program must be changed before the degree can be posted. Grade change requests must be submitted through PeopleSoft.

VI. INCOMPLETE GRADES: All I grades of courses relevant to the degree must be changed before the degree can be posted. The department must note on the Graduation Certification memo all I grades not needed for the completion of the degree.

VII. ELECTRONIC SUBMISSION FOR MASTER’S CANDIDATES WITH THESIS. (Please refer to the sample ETD online at https://etd.pitt.edu/sites/default/files/ETD_Template_Pitt.pdf). ETDs must be deposited to D-Scholarship by noon on Friday, April 8th. Accompanying ETD paperwork should be emailed to dsgsgrad@pitt.edu by the same date. Check with your departmental graduate administrator to see if you are to deposit a thesis with the Dean’s Office.

VIII. DIPLOMAS AND OFFICIAL TRANSCRIPTS: Complimentary copies are expected to be mailed the week of June 21st to the address on your application for graduation. However, official transcripts with degrees posted are available for purchase June 6th if you cannot wait for the batch process mailing. If an address change is needed after submission of the graduation application, you must make certain you update it in the Registrar’s Office. A form can be found at https://www.registrar.pitt.edu/sites/default/files/pdf/Diploma%20Mailing%20Address%20Change%20Form.pdf
VIV. PREFERRED NAME ON DIPLOMA: Students may request to have a preferred name printed on their diploma by completing a Diploma Name Request Form. Typically, the form must be delivered to the Registrar’s Office in-person; during remote operations, the form should be emailed to Linda Lieu (lieul@pitt.edu).

Please note that students must continue to follow existing procedures for requesting changes to their legal name; the requested Diploma Name will only appear on the diploma, if it differs from the legal name. The transcript, which is considered a legal document, will still have their legal name on it.

Also note, the Registrar’s Office is cautioning students to investigate the potential ramifications of using a Diploma Name instead of legal name if they intend on using their diploma internationally. Should the student go abroad, and they need to change the name on the diploma, the Registrar will ask for their original back before they reordered a new diploma with their legal name on it.

As this involves only the diploma, students are still required to use their legal name on their graduation applications. Writing a preferred name on the graduation application will not result in the preferred name appearing on the diploma. They must submit the Diploma Name Request Form to Linda Lieu (lieul@pitt.edu) in person in order to change their diploma name.
